## STATEMENT OF EDUCATIONAL PURPOSE / REGISTRATION COMPLIANCE

To the applicant for Federal Student Financial Assistance:

Section 484 of the Higher Education Act (20 U.S.C. 1091) requires that each recipient of a grant, loan or loan guarantee under the Pell Grant, Supplemental Educational Opportunity Grant, National Direct Student Loan, Guaranteed/Federal Insured Student Loan or Auxiliary Loan programs file a statement of education purpose stating that money attributable to such a grant, loan or loan guarantee will be used solely for expenses related to attendance or continued attendance at an institution of higher education. The amount of compensation received from employment under the College Work-Study Program is based on a student's need for such funds to attend an institution of higher education; thus, earnings from that program must be used solely for expenses related to attendance at such an institution. A student participating in the College Work-Study Program shall file a statement to that effect.

Furthermore it is a federal law (Public Law 97-252; Section 1113 of the Fiscal Year 1983 Defense Department Authorization ACT, 48FR15578-84) that a student is ineligible for student financial assistance provided through programs established under Title IV of the Higher Educational Act if the student is required to have registered with Selective Service and fails to do so. **CHECK THE STATEMENTS BELOW (Items 1-8), SIGN AND DATE**
